

Co-op Cable TV

Your Channels. Your Community. Your Co-op Cable TV
Where Entertainment Meets Community

Founded in 1997 by six cooperatives, this service has expanded over the years, and today all 14 communities offer cable television to their members.

Co-op Cable TV subscribers enjoy a high-quality digital experience, with most channels available in high definition (HD). Customers can also choose the channels in their package based on their viewing preferences.

Ready to enjoy Co-op Cable TV? Here's how to get started:

1

Purchase a receiver at your local co-op.

2

Choose the perfect package for you.

Use the Co-op Cable TV Form, available at your local co-op.

3

Plug in, sit back and start enjoying your favorite channels!
